

Reviewer Comments (Scientific Reports)

Brad Duthie

Reviewer comments

Reviewer #3 (Technical Comments to the Author):

The author has followed the reviewers' recommendations and, in my opinion, has greatly improved the manuscript. I recommend accepting to be published.

Author response to Reviewer #3 comment

I thank Reviewer 3 for their kind words, and for reviewing this manuscript a second time.

Reviewer #3 minor comment

Minor comment

in lines 217 and 226 the article has lost el citation of Patel et al.

Author response to Reviewer #3 minor comment

I have re-inserted the citation on these lines.
